## Select License Status

12 hours of continuing education is required to renew on **ACTIVE** status. Affiliation with a referral company is considered "Active" per KREC standards. If the continuing education requirement cannot be met by the expiration date, the licensee may choose to either renew late (and pay a \$100 late fee) once the hours have been completed or renew on **INACTIVE** status by the expiration date. An inactive licensee must make up the 12 hours for renewal before the license can be reinstated to active status.
