Ms. Smith and Mr. Wisner presented proposed changes to the Delegation of Authority for License Applications, which delegates authority to Commission staff for specified scenarios related to license applications. The Commission members provided feedback and staff will bring back revisions for further review and possible approval at the October meeting.

**Licensing Report**
As of August 2021, there are 19,796 licensees which is an increase of 2,108 compared to August 2020. There are 396 pending applications (126 salesperson, 20 broker, and 250 fingerprint-only files), this is an increase of 82 applicants compared to August 2020.

**Director’s Report**
Mr. Wisner reviewed the realigned budget proposal for FY22 and 23. Proposed realignments include: 1) increase in real estate fee fund revenue in FY22 and 23 due to higher than anticipated license applications and renewals; 2) minor increases in expenditures for agency cellphones, training/conference registration fees and credit card convenience fees; and minor decreases in expenditures for OITS fees, travel related costs and agency listserv software. The only significant new expense not included in the approved budget is a 25% increase in the Attorney General’s legal representation charges. This increase is due to a law change passed during the 2021 legislative session that increased the statutory rate for attorney fees. Ms. Moyer moved to request a budget enhancement of $7,100 to cover the increase in the Attorney General’s legal representation charges for FY23. Mr. Schlosser seconded the motion. Motion carried unanimously.

Mr. Wisner reviewed the current contract with Pearson Vue for exam administration services. Mr. Wisner indicated the initial five-year contract is expiring September 30, 2021 and recommended extending the contract for an additional five year period. Ms. Moyer moved to extend the contract for another five year period until September 30, 2026. Mr. Schlosser seconded the motion. Motion carried unanimously.
Mr. Wisner also noted that ARELLO has published documents related to the value of real estate licensure given the increase scrutiny of occupational licensing.

**Public Comment**
Ally Johnson include in the Zoom chat that as a broker coming in from out of state in it would be great if all supervised transactions would count toward the transaction point total for a Kansas broker license.

**Adjournment**
Mr. Schlosser moved to adjourn the meeting at 11:11am. Ms. Kelly seconded the motion. Motion carried unanimously.
