COURSE APPROVAL POLICY ELECTIVE CONTINUING EDUCATION APPROVED 05/23/2022

Effective July 1, 2022, all original elective continuing education courses submitted for approval must meet the following requirements to be approved by the commission per K.S.A. 58-3046a and K.A.R. 86-1-11(f).

Courses designated as elective hours shall contribute to the maintenance and improvement of the quality of real estate services provided by the real estate licensee to the public.

The following courses shall not be considered by the commission to meet the requirements of continuing education:

Courses on teams, social media, and agency that fail to include requirements for broker supervision, advertising, and brokerage relationships in Kansas license law

Courses on negotiation, investing, marketing, or lead-generation that fail to demonstrate direct benefit to the licensee's client or customer

Courses on residential leasing or renting (not an activity requiring a Kansas license pursuant to KSA 58-3035(f) and (j))

Courses that advertise a particular product or service during instruction time that is offered by a particular company or individual or that provides a direct or indirect benefit to the course provider. The commission may approve courses that provide a list of products or services if the list includes a sufficient number of products or services offered by competitors and would provide informative material relative to the course being offered.
